

The Clearwater Panhellenic cordially invites all sorority women and guests to the
Annual Scholarship Fund-Raiser Luncheon

With our theme of **Women's Empowerment and Perseverance**,
we are celebrating the **100th Anniversary of**
the **Suffragists working to pass the 19th Amendment – the Women's Right to Vote**
and we welcome our speaker, **Rebecca Boggs Roberts!!**

Rebecca is the author of the new book "Suffragists in Washington, D.C." which tells the story of the big parade on the eve of Woodrow Wilson's inauguration. This parade and the accompanying protests and pickets became the catalyst for a more aggressive strategy for the women's suffrage movement, eventually leading to the ratification of the Nineteenth Amendment in 1920.

The daughter of Cokie Roberts and the granddaughter of Lindy Boggs, Rebecca grew up with strong women as her role models. She is a Program Coordinator for Smithsonian Associates. She lives in Washington, D.C. with her husband, three sons, and a big fat dog.

Also, the **BRAVO Actors from the St. Petersburg College Faculty**
will present the mini-play "**Failure is Impossible.**"
