Providing scholarships for our collegiate sisters to help them achieve their professional and educational goals

Since the first scholarship was given in 1975, we have awarded over \$190,000 to more than 165 collegiate sisters, representing almost every CAP group.

Doors Open at 11AM for socializing, basket displays, and to purchase opportunity tickets.

This year the featured speaker, Emily Skinner, is a long term Pinellas resident who has written nine books, seven screenplays, and many articles for the Clearwater Sun newspaper while also being a sales and marketing consultant. She is the mother of two daughters in the film industry, and enjoys producing short films (especially with her daughters). She received an award from the North Carolina Genealogical Society in 2020 for a book compiled from her Quaker grandmother’s diaries—stories of faith and community, from 1889 to 1930.
