Please consider this award an opportunity to show appreciation to one of your members. Every candidate will receive equal consideration, regardless of chapter size.

Please consider one of your extraordinary sorority sisters and submit a nomination for her this year!

Instructions and Guidelines:

- The 2021 Panhellenic Achievement Award will be presented at the Spring Awards Brunch on Saturday, May 15 2021.
- This award is designed to recognize those women who, through their efforts, have benefited the Greek organization in which they have served, by embodying the Panhellenic Creed which encourages “wide and wise human service.”
- The recipient will be chosen based upon their lifetime of all past and current Greek service, volunteer community service, and professional achievements.
- This is a cumulative award. Nominations should refer to a **lifetime** of contributions rather than a single year or a single achievement.
- Each affiliated sorority of Clearwater Alumnae Panhellenic will be entitled to submit the name of one individual as its nominee.
- Previous nominees may be nominated again, but previous winners are not eligible.

The postmark deadline for nominations is April 1, 2021. Or the completed application may be brought to the CAP Council meeting on March 2, 2021 (if in-person meetings resume) and given to Claudia Leonardi, who will share with the selection committee. The application may also be submitted electronically by attaching it to an email no later than April 1, 2021. The email must be from the person who writes the recommendation, NOT from the nominee.
